President of Princeton Uni versity Decries Evidences of General Moral Laxity.

Special to THE SUN AND NEW YORK HEELD. PRINCETON, June 13.-A return to some of the austere morals of the Pilgrim Fathers as an antidote to the "deadening reaction" that has been the the Rev. Dr. Joseph Silverman of Temple at his home, 1087 Boston road, in the aftermath of the war was recommended Emanuel, the Rev. J. E. Zeiter of the house in which he had lived forty years.

Willis Avenue Methodist Episcopai He was one of the coterie of twentyaftermath of the war was recommended to-day by Dr. John Grier Hibben, president of Princeton University, in his baccalaureate sermon. Loss of respect for women, which he decried as an outstanding example of the general moral laxity, he said, "has always proved a symptom of decadence far reaching and

Dr. Hibben said the "moral and spirit ual exhilaration" of the war has failed to materialize into the dream at that time of a "nobler mode of living among men," and he saked the graduates to dedicate themselves "to the cause of the moral and spiritual progress of the world," in memory of their classmates who died for that progress on the battleffeld. "About us is a world of confusion

disastrous."

and turmoil, and under the spell of reneral moral laxity we are groping in the dark for the ray of light which we have not yet discovered," he said. "As segards our philosophy of life, the splendid idealism of yesterday has given place to the crude materialism of to-day. Self interest and self in-dulgence suddenly have asserted them-seives. The very world itself has grown smaller to our minds since the ing be provided in the public schools of

In our social relations we are weaky allowing ourselves to be ruled by the coldess of folly, slaves in her domain o the fashion of the hour. The modern treas, the modern dance, modern music with the request that they adopt sent and modern manners and symptoms indicating that somehow in this age we have lost our bearings and that the bearings and that the Crain's scheme the proposed instrucold values of life, once so highly prized, tion should be given according to the been forgotten. This is the dantime reverence for womanhood, estant Episcopal Church. It has been There is no longer an aura of mystery on the General Sessions bench for four-about the young woman of to-day, a teen years, and it was his experience nystery at once her defence and her clory; and whenever in the history of the race this divine prerogative of wom-anhood is lightly regarded or reckless-ly scorned it has always proved a symptom of decadence far reaching and dis-astrous. Every age of moral and spiritual progress in the history of any people has always beer an age of chivalry, in which womanhood has been not only espected but revered. To-day our il-ualons seem to be gone; everything is bylous; no word is left unsaid.

front your life is that you may remain complacent and content before the presnt order of things. guarding virtue and producing happihings as they are always marks the ath of least resistance. It is perhaps he most comfortable way to go, but t the same time it is the most cowardly and unworthy. The very neiplesaness of the world to-day is in itself a repuilation of that self sufficient and self confident view of life that the world in its progressive development has out-grown the need of religion. It is religon that gives to the world what it not most needs—a standard of right living, a cause to maintain and defend, a leadr to follow and a law to obey.

LIFE TOO COMPLEX, SAYS BROWN'S HEAD Dr. Faunce Finds Walking Delegates Exploit Collegians.

Special to THE SUN AND NEW YORK HERALD.

"We live in a time when our life is nearly swamped by committees, cieties, campaigns, drives," he "When one plays eight times a week "and the quiet unfolding of the spirit-there is very little chance to study, so I until life is ignored and forgotten. The for me. Then again, there are so many who organize endlessiy, because they plays I want to see. I am going to the are paid to do it. The Socialists want theatre several times a week to try to an intercollegiate socialist organization, with chapters everywhere. The tem-perance worker wants all to join the prohibition clubs. The oratorical league would plant its local unit in each colege. The single taxer would organize one group and the woman's suffragist another. Meanwhile where does edu-

cation come in?
"In international relations we have to-night the curtain will rise for the first time on the new Winter Garden productive same mistaken reliance on machinwhich ery. Some sort of league of nations we must have, but no possible league will Forty-fourth Street Theatre last eve- time a week from to-night.
